[†] New drivers need to be downloaded from Lexmark website to accept moderate yield cartridges. [‡] New driver not available for i3. [§] A900 driver does not recognize the high yield black cartridge; LJ700 and LJ900 drivers do not recognize high yield black and colour cartridges. [¶] Delivered with a storage unit.
[•] Tri-pack version of this cartridge is also available, please contact your Lexmark distributor for additional information. [•] With cartridge #1 you can print 165 pages in black with 5% coverage.
^{*} If the cartridge does not appear during its installation process on your computer screen, please select the standard version of the cartridge. The printer driver will not give correct information about ink level and warnings. ^{**} Approximate number of pages printable per cartridge in normal modus (600 x 600 dpi). Yield may vary based on factors such as machine model, media, print mode, print file type and print applications.
